Registration for JV and Varsity Football is on a first- come, First- served basis. For Freshman Football registration, priority is given to 8- year olds, until at least twelve are registered. After that registration is also on a first come first serve basis. If your registration is received after the roster for your child's team and age bracket have been filled, your check will be returned. However, your registration form will be held and your child's name will be placed on a waiting list. The Dearborn Lions "BLUE" and "SILVER" are two sets of teams run under one organization; the Dearborn Youth Football Association. Placement of players and cheerleaders on either "BLUE" or "SILVER" is based on geographical location of that child's residence within the city of Dearborn and/or school attendance. Non-residents are placed on the team that has the lowest number of registered players at the time of the receipt of that particular registration. Players and Cheerleaders cannot be moved, as per the Downriver Junior Football League, unless one has reached capacity and the other still has roster space available. Once this registration form, registration fee, birth certificate and other attached required documents have been received, you will receive a follow-up correspondence with other Downriver Junior Football League required documents, which must be completed and returned to finalize your registration.
